B O D Y

SIGNATURE SUNDAY MASSAGE
Enjoy a combination of moves and techniques using warm oil. This treatment will help your body unblock and dispose of any chronic pains that might be there as it does not only relax the muscular tension but also, revives the body and balances the nervous system.

RELAXING – ANTISTRESS
Enjoy a massage specially designed to combat stress. You will be able to feel the tension go away, offering you a feeling of relaxation and well-being.

THERAPEUTIC MASSAGE
With this specially designed massage the therapist aims at the strained points of your body. Using deep movements and special pressures, passive stretches are relaxing the strained muscles, removes tension and offers pain relief. For better results essential oil is recommended.

AROMATHERAPY
Let your body choose the oil that is right for your own unique needs. Aromatherapy massage combines essential oils and massage therapy. When massage is used with the appropriate essential oils, it helps solve and alleviate various health problems. This therapy can relieve stress, stimulate your immune system and remove toxins from your body. It balances your bodily functions, your psychological and physical well-being in general.

ANTI-CELLULITE TREATMENT
Specialized abdominal, hip and thigh drainage massage techniques help the appearance of cellulite, boost circulation and reduce fluid retention. Skin is firmer and smoother to touch.

PREGNANCY MASSAGE
Specially designed massage for pregnancy, which aims at your comfort and wellness.

REFLEXOLOGY
Relieve your legs and feet with this reflective massage. Ideal treatment for swollen and tired limbs, as well as for resetting your body after a long-distance flight. This ancient technique opens up the meridians, invigorating and balancing the whole body.

HOLISTIC MASSAGE & MOISTURIZING
Sit back and enjoy an exclusive Aloe Vera holistic massage the coupled with beneficial properties of the latter, provides muscle relaxation while simultaneously, hydrating and nourishing your skin. This treatment does not only include the body, but also head and face and will leave you with pleasant and profound sense of rejuvenation.

EXFOLIATION & REVITALIZATION
Give your skin a velvety texture and shine through this deep revitalization treatment that is absolutely essential for getting yourself the perfect tan and make this summer a unique experience both for you and your skin with natural ingredients gentle towards any skin type.

F A C E

GUA-SHA AND SHIATSU PRESSURE FOR NATURAL FACE BOTTOX
Is applied to face, neck and cleavage. It smoothens wrinkles, removes eye bags and edema under the eyes. It offers face lift and oval tightening. It also eases the concession of acne scars and discolorations. Furthermore, it contributes to cell regeneration, face muscular tissues nourishment and oxygenation.

DEEP HYDRATION
A facial based on the oxygenating effects of vitamin complex. A very nutritive treatment that eliminates the signs of fatigue, providing a fresh and radiant skin.

ANTI-AGING TREATMENT
An innovative and very effective anti-aging therapy that strengthens the skin's defense system by aiding the natural regeneration. It smoothens wrinkles and improves skin firmness.

AFTER SUN FACIAL
Enjoy the beneficial properties of Aloe Vera which hydrate and calm your skin through this mini facial.

EYE TREATMENT
This treatment is specifically designed for the sensitive area of the eyes. It is a combination of special massage techniques and appropriate products which help reduce swelling under the eyes, eliminate dark circles and soften wrinkles.

SPECIAL COMBO CARE
A treatment that is created to satisfy the needs of each and every client. We adjust the treatment depending on your skin type.
